

21st August 2008

Heather was totally committed to this project, incredibly thorough and continuously professional, delivering all her areas of responsibility to the highest standard. Her management of the Content Administrator was also as a mentor and developer.

Sledge's role in this project comes to an end on 29 August 2008. We are hugely sorry to lose Heather and have greatly valued her enormous contribution both to this project and to Sledge in general.

Kind regards
